Tonga

Robinson-Fale

Luahoko – your Robinson island

Live like Robinson – a very special vacation

Have you ever dreamed of stepping back in time and slowing down?

Getting away from the hustle and bustle of the modern world?

No phone, no media, no deadlines?

Then you are ready for Luahoko Island ...

Here is a unique opportunity to spend some time on an uninhabited island in the Kingdom of Tonga in the South Pacific.

Just the two of you.

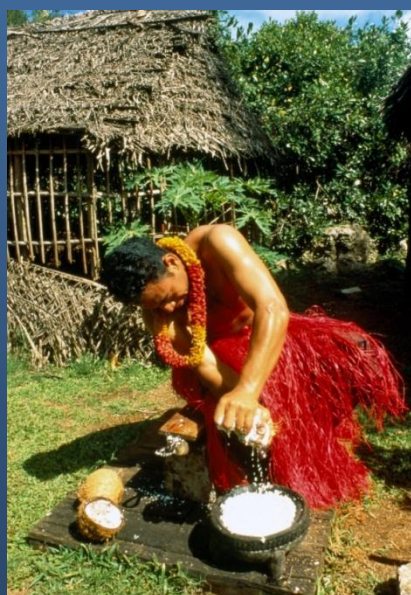

Far away from civilisation and nothing around you but pure nature.

We offer this one-of-a-kind experience as follows:

- ◆ Make your own travel arrangements to the international airport in Tonga (TBU). Courtesy transfer to a hotel in Nuku'alofa for one night, or if your international arrival coincides with the domestic flight schedule, you will be transferred directly to your direct connection to the Ha'apai group of islands.
- ◆ Flight from Tongatapu to Ha'apai.
 Courtesy transfer to Sandy Beach Resort, located on the most beautiful swimming beach in the whole of Tonga. Enjoy two days of comfort at the resort and be trained in the art of living like Robinson Crusoe.
 Learn how to make a fire, cook using the most basic equipment, go spear fishing, open a coconut and lots more.
- ◆ On the third day, you will be taken by boat to Luahoko, your personal Robinson Crusoe island. You will be provided with basic food supplies, drinking water and a mobile phone so you can contact us in an emergency.
- ◆ An authentic Tongan fale built from coconut palm leaves will be your home for the next 10 days in which the silence is only broken by the wind, the waves and birdsong.

*Learn how to get
fresh fish or to cook
in tongan style*

- We recommend you record your experiences in a diary so you can look back on this unique adventure after your return home. Consider leaving your watch at home and allowing your days to be shaped by the rise and fall of the sun.
- Please accept that even Robinson Crusoe did not have access to a shower or toilet but had to become one with nature. Of course this includes living with mosquitoes, spiders, a large variety of wild birds and other wildlife. Thankfully there are no poisonous animals in Tonga but depending on the time of year, you may be lucky enough to see Pacific dolphins or even majestic humpback whales swimming by. Depending on the weather, the boat trip to or from Luahoko may have to be rescheduled, but the islands are usually bathed in the warm, South Pacific sunshine.

Sandy Beach Resort

- After your stay on the island, you will return to Sandy Beach Resort for 7 nights, where you can gradually become reaccustomed to the comforts of civilization.
- You will be transferred back to Ha'apai airport for your half-hour scenic flight to Tongatapu. Enjoy the spectacular view over the islands of Tonga and reflect once again on your Luahoko experience.

**20 nights including domestic flights,
transfers and food
2.900 Euro per person on a share twin basis**

Valid for travel until 31.03.2013

If the above itinerary does not suit, we are happy to tailor the package to suit your individual needs. Contact us at sandybch@kalianet.to

Welcome to Ha'apai!!!
